BACKGROUND

This website (“**Our Site**”) uses Cookies and similar technologies to distinguish you from other users. By using cookies, we can provide you with a better experience and improve Our Site by better understanding how you use it. Please read this Cookie Policy carefully and ensure that you understand it. If you do not agree to Our Cookie Policy, please stop using Our Site immediately.

DEFINITIONS AND INTERPRETATION

In this Cookie Policy, unless the context otherwise requires, the following expressions have the following meanings:

“**cookie**” means a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree. Cookies contain information that is transferred to your computer’s hard drive.

“**We/Us/Our**” means Anesco Energy Limited, a limited company registered in England under company number 15324757, whose registered address is The Green, Easter Park, Benyon Road, Reading, Berkshire RG7 2PQ.

COOKIES USED ON OUR SITE

We may use some or all of the following types of cookie on Our Site:

Strictly Necessary Cookies

A cookie falls into this category if it is essential to the operation of Our Site, enabling services that you have specifically asked for, such as logging in to secure areas of Our Site.

Analytical or Performance Cookies

It is important for us to understand how you use Our Site, for example, how efficiently you are able to navigate around it, and what features you use. These cookies do this by collecting anonymous information on the pages that you have visited. The information is used to help us to improve Our Site and your experience of it.

Functionality Cookies

Functionality cookies remember choices that you make on Our Site, to improve your experience if you return to Our Site. These cookies enable us to provide additional functions to you on Our Site such as personalisation and remembering your saved preferences, such as user name, language or region that you are in. Some functionality cookies may also be strictly necessary cookies, but not all necessarily fall into that category.
